***PROGRAM***  
**FOOTGOLF FRENCH OPEN**  
**THU. 14 TO SUN. 17 JUNE 2018**  
**GOLF PARC ROBERT HERSANT**

## WELCOME

Once again I am happy to welcome all of you on the Golf Parc Robert Hersant for the fourth edition of the FootGolf French Open. This amazing course is even more spectacular this year and will truly test every aspect of your game. Our focus for The FootGolf French Open is to not only offer you a great course which is so beautiful on the eye but also a great celebration between FootGolfers, friends and partners which is why in France we like to think of this Major as an experience you will never forget. In addition with FIFA World Cup 2018 in Russia and some matches which will be broadcasted on our giant screen, we promise you some great moments of emotion.

This year we stage the third FIGF major, professionally managed and the exciting introduction of live streaming around the world. It is my vision that the game explodes in the media and whilst fighting a battle with many, I strongly believe that this new way to show people around the world our sport will have a huge impact over the next few years.

We have an amazing opportunity in December with the FIGF FootGolf World Cup in Marrakesh, to catch an international coverage with the most famous sport medias like Golf Channel in the US, Eurosport in Europa or l'Equipe in France. I hope that all presidents, captains and players will be behind us to make this World Cup, the best FootGolf Tournament ever.

FootGolf is growing everywhere especially in France and we now have over 40 FootGolf courses. We want FootGolf to be accessible to all types and standards of player which is why we try to make The French Open totally inclusive with a number of competitions and awards for everyone – I hope you are lucky enough on Sunday afternoon to collect an award for your play like our two french champions, Alexandre RICHER in 2016 and Nicolas COUSIN in 2017 or Matias PERRONE in 2015. If not I trust you will enjoy the experience and will return in 2019.

# ADER CAPITAL

## ADER CAPITAL CESSION DE DETTE

« Qui cède ses dettes s'enrichit »

Depuis le 1<sup>er</sup> octobre 2016, la loi française autorise la cession de dette. Désormais, un débiteur peut se libérer d'une dette en la cédant à un tiers qui la remboursera à sa place à son créancier. La société ADER CAPITAL Ltd, associée à un fonds d'investissement, a créé des solutions adaptées aux particuliers et décidé de les proposer par l'intermédiaire d'un mandataire exclusif en France. Sous la marque ADER CAPITAL, la société Crédit Consulting propose donc de reprendre certaines dettes et d'en régler les échéances à la place du

client. Prêt immobilier, crédit personnel, il est question de rembourser les échéances jusqu'à leur terme ou de rembourser le capital dès que possible. Tout est question de durée, de taux et d'intérêt pour le client.

### Quel est le coût d'une cession de dette ?

L'étude réalisée par ADER CAPITAL Ltd permet de proposer au client un prix de cession entre 10 et 30% du montant de la dette, qui peut s'intégrer à la cession elle-même.

Ce prix est alors investi par la société ADER CAPITAL Ltd pour générer les plus-values qui permettent de régler les échéances des dettes cédées.

Nous sommes informés tous les mois des résultats du fonds et du bon remboursement des échéances de nos clients.

Le fonds d'investissement assure des performances bien au-delà des conditions nécessaires au remboursement des échéances, ce qui est rassurant pour nos clients.

### Quel bénéfice pour le client ?

Contrairement à un rachat de crédit permet de diminuer le montant des échéances, mais augmente le coût total par l'allongement de la durée.

La cession de dette diminue le montant des échéances, raccourci la durée de remboursement et donc diminue le coût total de la dette.

Un double effet que seule la cession de dette peut générer.

### A qui s'adresse la cession de dette ?

Tout client qui règle régulièrement son crédit peut aspirer à bénéficier d'une cession de dette par ADER CAPITAL Ltd.

Son distributeur exclusif, Crédit Consulting, dispose aujourd'hui de 13 agences en France avec des équipes de conseillers prêts à se déplacer chez les clients.

Le rendez-vous de signature se passe toujours dans une agence du groupe pour rencontrer un responsable et refaire le point sur les détails du contrat.

**Prenez contact avec un conseiller proche de chez vous pour réaliser une étude et vérifier tout le bénéfice que peut vous apporter une cession de dette.**

One squad's chief will be in charge of the cart, he will fill and sign a responsibility discharge before taking the keys. All missing about the rules, or any damages, result in financial sanctions, and no more golf cart for the squad.

Cart Hire (Practice)      20€

## TOURNAMENT RULES

Draw for R1 will be random. Draw for R2 will be score order / course. The draw for the final round will take place after the scores are calculated after 36 holes.

## MARKING THE BALL

On the Green

It is compulsory to mark your ball on the area designated as the 'green'. Players are not allowed to use a competitor's ball already on the green to their advantage. Penalty +1 kick to the player who kicked.

Fairway

ONLY if instructed to do so by a fellow player OR if the 'wind' rule is in play.

## THE 'WIND' RULE

In the event of high wind: TD will announce 'Wind Rule in play' – Players will be allowed to replace any ball which moved due to the wind ONLY if the ball was stationary. The player must raise his hand and call 'Stop' as soon as the ball has stopped – at this point all players in the group must raise their hand if in agreement. The majority decision will decide. Balls CAN be marked on the fairway when the wind rule is in play.

## WATER HAZARDS

All water hazards are clearly defined as 'water hazard' (yellow) or 'lateral water hazard' (red). Players are not permitted to touch or move any plants, leaves, stones or twigs (Penalty +2). Players are allowed to move litter or hazard sticks. Exception: Players are permitted to fairly take their stance but cannot influence the situation of the ball.

Please follow this guideline:

### • Yellow

- 1) Play the ball as it lies without penalty.
- 2) Place a ball on the imaginary line linking the flag and the last point it entered or crossed the hazard line. This point can be any distance. Penalty +1
- 3) Place a ball at the location of the previous kick. Penalty +1

### • Red

Above PLUS

- 1) Place a ball within 2 metres of the point of entry. Penalty +1
- 2) Place a ball on the opposite side of the hazard within 2 metres of the hazard line but NOT closer to the hole. Penalty +1

### • Drop Zones

As an additional option some holes may feature a drop zone which will be clearly displayed. Penalty +1. Drop zones will be listed prior to practice.

## BUNKERS

AFFG apply the 'standing kick' bunker rule. Your standing foot must be planted at all times during the kick, no step or run up is allowed. Please rake all bunkers after play. (Penalty +1 plus replay shot).

## OUT OF BOUNDS

Any area designated by white posts and the boundary of the course. The player has only one option which is to return to the location of their previous kick under the penalty of +1.

## BARRICADES

A barricade is anything artificial including sprinkler head, paths, roads and furniture.

**Movable barricades (Flags, banners, Water hazard poles etc)**

**Immovable barricades (Grandstand, clubhouse, roads and paths etc)**

**Options:** 1) Play the ball as it lies or 2) Relief (Nearest point +1 metre) will be permitted in the following situations.

### • Sprinkler Head

Yes. If the players ball, intended line of play or position of the player is impeded when on the green or fairway only.

### • Paths & Roads

Yes. If the players ball or position of the player is impeded at any point on the course.

### • Furniture

Yes. If the players ball, intended line of play or position of the player is impeded when on the green or fairway only. Examples of furniture: grandstand, marquee, benches, waste bins and fixed signage.

## DISPUTE

If there is a dispute on the course: Contact TD and call groups behind to play past. Alternatively complete the hole with one situation and then repeat the play/hole in the other situation.

## SLOW PLAY

Pace of Play Guideline – See shotgun and tee times guide. Available in score centre\*. \*If all groups are behind pace of play then the guide will be updated for subsequent rounds.

Each group will be allotted a specific time to complete 18 holes in accordance with the time chart. When a group falls behind it must regain it's position. Time for rulings and walking time is included in the allotted time and calculated within the buffer.

Out of position refers to the group when they take more than the allotted time to finish a check point hole.

### • Penalties

In the event of slow play:

- A) Initial warning to group
- B) Final Warning to group or player
- C) Penalty to player +1 kick
- D) Second penalty to player will be DQ

### • Procedure

When a group is out of position at a check point they will be notified by TD and given an initial warning. They will be expected to regain it's position by the next check point.

If at the next check point they are still out of position then the group will be issued a final warning and the TD or marshal will follow that group.

If any player in the group is concerned about the non responsive fellow competitor then a marshal will be elected to follow that group and time each player.

The TD will time each player according to player timings.

### • Check points

At the completion of each 3 hole stretch.

### • Player Timings

In the event a single player is playing slow then the TD will time those players involved and use the following table to decide if they are playing slow. Time taken to calculate yardages, alignment or decision making will be taken into account. Timings start as soon as the first player reaches their ball or the previous kick has stopped/been marked.

First player: 60 seconds

Subsequent players:

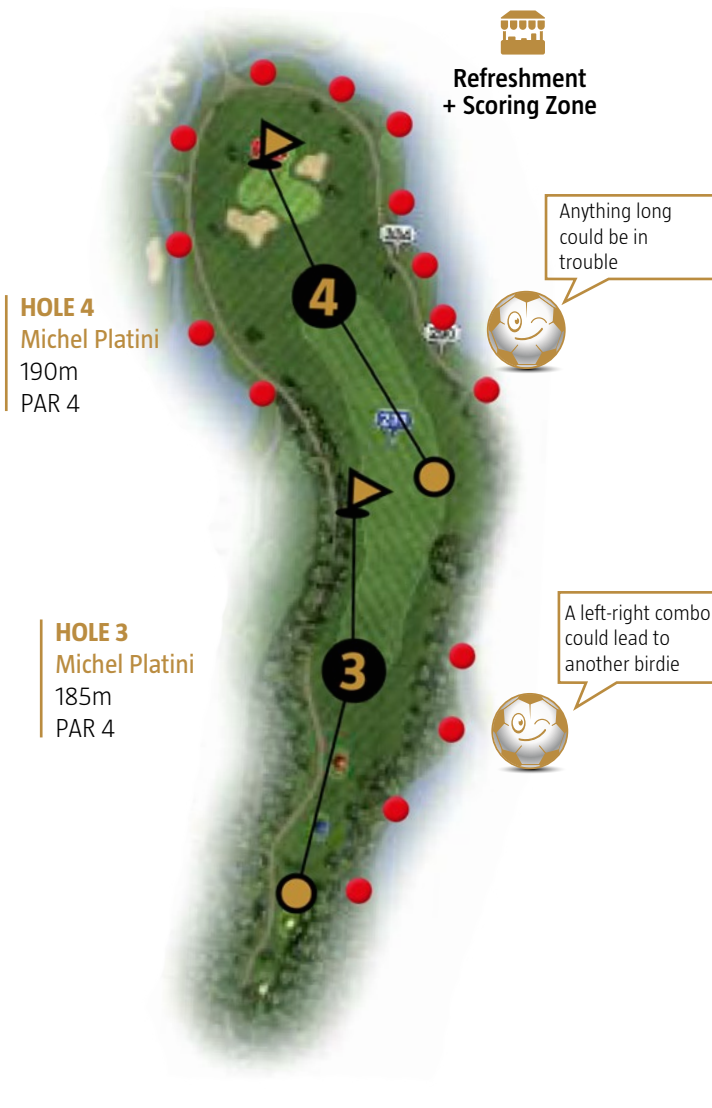

On the tee: 40 seconds when it is there turn to play

On the fairway: 40 seconds when it is their turn to play

On the green: 40 seconds when it is their turn to play

Any player deemed to make no effort to get the group back into position will be issued a penalty (Examples of this include talking to fellow players not in their group and/or scoring on the green rather than the next tee)
